

**Climate Action Week Full List
12-18 July 2021**

Date	Event Details	Organiser
12 July	<p>Climate Action Week Trainings</p> <p>During Climate Action Week, three training sessions will be launched to raise awareness on Singapore Green Plan goals to 9,000 Marina Bay Sands staff and rally commitment for sustainable habits.</p> <ul style="list-style-type: none"> • <u>Impact of our Food Choices</u> The training will bring you through the environmental and social impact of food we consume in this age of abundant food choices. • <u>Solving the Food Waste Problem</u> While many are starving, Singapore is faced with a major food waste problem. Learn about what causes this problem and how we are empowered to solve it. • <u>How Smart and Green is Marina Bay Sands' Building?</u> As we celebrate Marina Bay Sands' 11th year of operation, take a sneak peek into the smart systems that keeps it running round the clock, and how it significantly reduces our carbon footprint. <p><u>Details</u> Venue: Virtual Open for public/media coverage – No</p> <p><u>For more information, please contact:</u> Roger Simons, Sustainability Associate Director</p>	<p>Marina Bay Sands Singapore</p>

Date	Event Details	Organiser

13 July 1500 – 1630 hrs	<p>SGBC Webinar: Understanding the Living Building Challenge & WELL Certification</p> <p>In this webinar, participants learn about the Living Building Challenge certification programme by the Institute of Living Future, with an emphasis on the Petal Certification Pathway. The session will also feature an overview of the WELL certification scheme from the International WELL Building Institute, exploring its features, benefits, and implications on human health and building design.</p> <p>The webinar will be rounded up by Prof. Lam Khee Poh, Dean of the National University of Singapore (NUS) School of Design and Environment (SDE), who will provide insights on how and why NUS has meaningfully incorporated elements of the Living Building Challenge and WELL certification in the SDE micro-campus project.</p> <p>Pricing: SGBC member: \$20 Non-member: \$30</p> <p>EDM: https://mailchi.mp/sgbc/webinar-13072021-01?e=[UNIQID] Registration Link: https://web.sgbc.online/public/event/rsvp/218</p> <p><u>Details</u> Venue: Online Open for media coverage – Yes</p> <p><u>For more information, please contact:</u> James Tan, Senior Manager, SGBC Contact number: 6732 5518 Email address: james_tan@sgbc.sg</p>	Singapore Green Building Council

Date	Event Details	Organiser
13 July	<p>Research and Innovation in Sustainability – Strategies and Challenges for Singapore and the Industries</p> <p>This session in the Green Port Conversation series will cover National Research Foundation (NRF)'s plan for Singapore. The discussion will be on climate resilience, low carbon economy and how industry players like PSA can support the national agenda.</p> <p>The speakers, Dr Henry Wong, Director of Programmes and Dr Chen Xin Wei, Head of Programmes, both from NRF, will address the audience in this webinar.</p> <p><u>Details</u> Venue: Virtual (PSA staff only) Open for public/media coverage – No</p> <p><u>For more information, please contact:</u> Peggy Lee Email address: peggylee@globalpsa.com</p>	PSA Corporation Limited
14 July	<p>Grab Singapore's 2030 Transport Sustainability Goal</p> <p>Grab Singapore has committed to operate via a full fleet running on cleaner energy by 2030. This goal is set as part of the broader GrabForGood initiative that seeks to positively impact three core groups – People, Partners and the Planet. As one of its first steps, Grab has unveiled two programmes.</p> <ul style="list-style-type: none"> • JustGrab Green: A new transport type, which is serviced by a fleet that comprises electric or hybrid vehicles of a minimal Vehicle Emissions Scheme A2 band. As compared to a regular vehicle running on petrol, carbon emissions can be reduced by an estimated 55% with a hybrid or electric vehicle. • Green Programme: Passengers can opt in to turn on this feature and pay a nominal S\$0.10 when they book any ride. To encourage consumers to be part of this initiative, Grab will 	Grab

Date	Event Details	Organiser
	<p>match the \$0.10 contribution for up to three million rides. The full contribution will go into carbon offset and solarisation projects in Singapore and the region.</p> <p>More Info at https://www.grab.com/sg/press/others/grab-singapore-announces-transport-sustainability-goal-as-part-of-its-grabforgood-initiative-aims-for-a-full-fleet-running-on-cleaner-energy-by-2030/</p> <p><u>Details</u> Venue: Grab app Open for media coverage – Yes</p> <p><u>For more information, please contact:</u> Grace Chiang, PR Lead, Grab Email address: grace.chiang@grab.com</p>	
14 July 1500 hrs	<p>Launch of Climate Action Exhibition “Change the Present, Save the Future” at Net Zero CDL Green Gallery</p> <p>The National Parks Board (NParks) and City Developments Limited (CDL) will be launching a new exhibition – “Change the Present, Save the Future” – at the CDL Green Gallery, located within the Singapore Botanic Gardens. The exhibition comprises interactive displays and interpretative panels, and explores collaborative efforts between the private and public sectors in support of climate action.</p> <p>The event will also include a panel discussion on sustainability and the Singapore Green Plan 2030 involving Ms Grace Fu, Minister for Sustainability and the Environment, and other panellists from the private and public sectors.</p> <p><u>Details</u> Venue: Hybrid Open for media coverage – Yes</p>	City Developments Limited

From 12 July	<p>Green Fingers Programmes</p> <p>The school will roll out a series of urban farming programs for students. Students will apply their science knowledge in growing mushrooms, leafy vegetables, herbs and other edibles. Through these programmes, we hope to empower our future urban farmer with “Green Finger” skills and commitment to meet our Singapore 30x30 goal.</p> <p>The programme will be conducted in school utilising mushroom kits, raised bed plots and hydroponics system, seeds and growing material giveaways (during Green Friday activities).</p> <p>Find out more at http://gg.gg/caw2021</p> <p><u>Details</u> Venue: Physical (School)</p> <p><u>For more information, please contact:</u> Mark Tay, Fengshan Primary Environmental Committee Email address: mark_tay@schools.gov.sg</p>	Fengshan Primary School
